SERVING SALINA & SURROUNDING AREAS FOR
47 YEARS UNDER SAME OWNERSHIP

POTENTATE'S MESSAGE

Thank you, thank you, thank you Isis nobility and your ladies! I am so proud to represent you as the Potentate for 2017. Four years ago, as this journey began, I would never have imagined how quickly it would go or how positive it would be. To ever think about

all the things that I have accomplished and all the people I have met, this fraternity has made me realize that we touch so many lives by taking care of these children and their families.

I want to thank my family for all their support over the past four years, especially my lady Sarah. Her support has never decreased, even with all the nights that I have returned home late, because she knows how important this fraternity and its offices are to me. With everything that has happened to our family, I want you to know how much I appreciate your support of the gun giveaway on installation night. The gun was given away in memory of Noble Bill Rabas and his lady Delores because of all the support they gave Sarah and I in this journey.

To the new Isis Divan...We know what an honor it is to serve this great fraternity and realize that, at the end of the day, with the help of our wonderful nobility, we change the lives of children and their families. It makes us proud to be Isis Shriners and reminds us of what we do. I want to thank the Divan for agreeing to stand with me as we embark on another great year of Isis Shrine. I also want to thank our aides in advance for their support in this coming year. It is going to take all of us to make this year a fun and successful one.

My brothers and ladies...we are going to be doing a lot of things differently this year. I realize that we have just filled many new shoes, from Oriental Guide to Recorder to Treasurer. My main agenda in the upcoming year is to work on membership. I believe the more fun things we can plan around our temple allows people to see what Shriners do and are about. The gun raffle this last year was one good example of us opening our doors to other potential Shriners. Creating the kids room downstairs was another good step for us to welcome in families. Everything this next year I want to be about fun and family, which should in turn increase membership. I do want to thank Noble John Gilpin and his lady, Gladys and Noble Steve Schoming and his lady, Barb for all their support to Isis Temple throughout the years.

Again, I want to thank you and your ladies for everything you do for Isis Temple. As your Potentate in the coming year, please let me know if there is an event that you want me to attend and I will do my best to be there. Our motto this year is "Hooked on Helping Kids" and there is nothing that my family is more committed to within this fraternity than that. I look forward to serving you as Potentate in 2017.

LADY SARAH'S MESSAGE

I want to take this opportunity to say THANK YOU for having the confidence in Darin and the other Divan members to lead Isis Temple this year. I know it means a lot to him to have this opportunity. As for me, I am so excited to have a great group of ladies on the Divan to work with. I am also excited to try some new things for the ladies and for fundraising.

Along the lines of fundraising, we are going to try a Shrine garage sale in the spring, a Ladies Day in conjunction with the Gun Raffle in August, and a "Fez-tival of Trees" in November/December, as well as a few other small fundraisers. More information will come out as the months come, but start setting aside anything that you would be willing to donate to the Shrine garage sale. I am also open to other ideas for fundraising...if you have one, let me know and we will see what we can do to make it happen.

This year, our motto is "Hooked on Helping Kids" which ties two things together that we enjoy, fishing and kids. Helping kids and their families is what we are all about and what makes this philanthropy so meaningful and rewarding to be a part of. I challenge you to get more involved with Shrine than you already are, even if that means just participating in one event more than you usually do. Even though this philanthropy is primarily for the men, it takes us women to support and assist them in order to be successful.

I personally want to thank you for donating to the gun giveaway on installation night. That gun was given away by Darin and I in memory of my parents, Noble Bill & Delores Rabas. We will incorporate my parents into many events this year by using my dad's fez and their picture as a table centerpiece. Their support of our Divan journey was very strong and they are and will always be greatly missed.

I want to thank our all of our aides for agreeing to assist us this year. Their help, along with yours, will make this year successful. I also want to thank Sunflower Shrine Club, our aides, and the Divan for all working together to put on a great installation reception. A great time was had by all and we appreciated it. And last but not least, I want to thank you, the nobility and ladies of Isis Temple, for everything you do. It takes us all, and I am proud to have all of you in my Shrine family.

If ever you have a question, concern, idea, or suggestion, please don't hesitate to get ahold of Darin or myself. We look forward to a great 2017!

CHAPLAINS

ORNER

Qualified

When I received the call a few days ago from Illustrious Sir, Darin Martin, incoming Potentate of Isis Shrine, asking if I would serve the call as Chaplain again for the coming year, my thoughts drifted back to how I got this job in the first place.

This adventure goes all the way back to 1995 when Illustrious Sir, Clair Schmitt was Potentate. I had met Claire several years prior to 1995 through his son-in-law, Larry Wiens. We kindled a friendship that would last a lifetime. So, in 1990 when Claire decided to join the Divan, Larry and I, along with others, gave him our full support. We traveled along as he visited Shrine Clubs all over western Kansas, helped set-up and tear-down at events and attend parades all along the way. As you might recall, Larry and I tended the bar for several years. Claire once said that he wanted someone he could trust with his liquor. When it came to guarding the Scotch, I'm not so sure he made the right call.

As 1995 (his year) drew closer, I reminded him on several occasions that I was available to help him with anything he could think of, but all he would say was that he had a "special job" saved for me. As, what seemed like all the important rolls at the time were being handed out to other Nobles, I began to wonder about this "special job."

I remember like yesterday, Claire delivered the shock of the day when he didn't ask but said, "I want you to be my Chaplain." "No!" I replied. "I am not qualified!" "Yes, you are," he argued. Again I said, "No I'm not, I would rather be your bartender, I am absolutely not qualified!"

You know the rest of the story because some 20 years later I'm still your Chaplain and still feel under qualified until I stop to think; the only 2 requirements to being a Chaplain are faith in God and a heart to serve him. I can tell you, He even does on the job training.

Anyone can be a Chaplain. Many of you are already chaplaining, serving others in a multitude of ways as a part of your everyday life. It is your true nature to serve others and you do it so well. And yes, you are qualified.

Clair Schmitt was a wise and methodical thinker, but I don't believe he had any idea — from bartender to Chaplain. Wow!
God is Great.

Yours in the Faith,

Richard Luthi, Chaplain
